

HANNAH LUCY QIN

hqin@umich.edu / 734-358-8070

EDUCATION

UNIVERSITY OF MICHIGAN

Graduating December 2019

B.S. Computer Science and French (GPA: 3.63/4.00)

Coursework includes User Interfaces, Digital Product Design, Web Databases and Information Systems, Computer Security, and Graphic Design.

UNIVERSITÉ PARIS-DIDEROT

January 2017 - May 2017

EDUCO Paris Study Abroad Program

Challenged my French-language skills in a fully immersive study abroad program. Enrolled in courses taught in French alongside French university students.

WORK EXPERIENCE

ROBLOX CORPORATION

San Mateo, CA

Web Engineer Intern / Summer 2017

Implemented a redesigned splash screen for Roblox Studio to boost interest in game development among users. Set up the new page for A/B testing. Developed the first iteration of a color similarity algorithm for the Avatar team.

ANCR LABORATORY

U-M Dept. of Naval Architecture

Software Developer Intern / Summer 2016

Worked with two other interns to develop a GUI used as a modeling tool for the lab's research. Attended a conference in London to present our GUI.

DTE ENERGY TRADING

Ann Arbor, MI

Intern / Summer 2015

Used D3.js to develop interactive charts that streamlined data analysis and the daily workflow of the gas trading team.

EXTRACURRICULARS

ETA KAPPA NU (HKN)

U-M EECS Honor Society

Vice President / Fall 2017

Managed all new members and reformed the organization's mentoring system. Worked to ensure that all members of HKN felt a strong sense of belonging. Was nominated for VP while studying abroad (Winter 2017) and earned the position despite running remotely.

Projects Officer / Fall 2016

Organized community service opportunities for members. Led an initiative in Diversity, Equity, and Inclusion to advance the community as a safer space for all.

MENTALITY MAGAZINE

University of Michigan

Designer / Fall 2016 - present

Design the art, typography, and layout of magazine spreads for pieces written by fellow members of Mentality Magazine, a student-run publication dedicated to the open discussion of mental health.
