EDUCATION

UNIVERSITY OF MICHIGAN
Literature, Science, and the Arts

B.S. Computer Science with Minor in French / 2014 - 2018
GPA: 3.66 / 4.00

WORK EXPERIENCE

TEACHING ASSISTANT PROGRAM IN FRANCE (TAPIF)
Meudon, France

Incoming English Teaching Assistant / October 2018 - April 2019
Will plan and lead classes in three primary schools (6-11 year-olds) to animate English lessons and facilitate cultural exchange. Will collaborate with colleagues using oral and written French.

DIVERSITY, EQUITY, AND INCLUSION PROGRAM
U-M School of Public Health

Program Assistant / June 2018 - present
Developed an Active Listening Response Team program to support the SPH community in the case of campus-wide or nation-wide crisis, given only a high-level outline of the program to start with. Wrote training materials, handouts, presentations, supplementary materials, and more — amounting to over 70 pages of content. Identified critical areas of improvement and demonstrated strong, inclusive writing ability by effectively explaining DE&I through a creative lens.

PRECARITY LAB
U-M Institute for the Humanities

Website Designer / July 2018 - present
Building a dynamic, responsive website to publicize the work of Precarity Lab, from initial setup and mockups to implementation and testing.

ROBLOX CORPORATION
San Mateo, CA

Web Engineer Intern / Summer 2017
Worked on a cross-functional team to implement a redesigned splash page for Roblox Studio (*roblox.com/create*), increasing downloads by 85% in A/B tests.

ANCR LABORATORY
U-M Dept. of Naval Architecture

Software Developer Intern / Summer 2016
Worked with two other interns to design, architect, and implement a GUI used as a modeling tool for the lab's research. Was invited to attend a conference in London to present our project.

LEADERSHIP

ETA KAPPA NU (HKN)
U-M EECS Honor Society

Vice President / Fall 2017
Managed over 50 new members and set the vision for the induction process by organizing events and reforming the mentoring system — all in an effort to ensure that each member felt a strong sense of belonging. Was nominated for VP while studying abroad and earned the position despite running remotely.

Projects Officer / Fall 2016
Organized community service opportunities for all active members. Spearheaded an initiative to advance the community as a more inclusive space by working with U-M Intergroup Relations to hold facilitated workshops about social identities.
